Internship Certificate

This is to certify that **CHETHAN KUMAR REDDY** has successfully completed the internship program as an **Data Analyst Intern** with **Think For Education**, from **July 30th 2026** to **October 30th 2026**.
During this period, the intern was exposed to and actively engaged in:

- Collecting, cleaning, organizing, and analyzing data related to colleges, universities, courses, and the education sector.
- Conducting data analysis to identify trends, patterns, inconsistencies, and meaningful insights.
- Performing competitor analysis and analyzing education-sector trends to support business planning and decision-making.
- Organizing, maintaining, and updating research datasets in the company's database and admin panel.
- Validating datasets, identifying duplicate or inaccurate records, and ensuring data quality, consistency, and completeness.
- Preparing data analysis reports, summaries, and insights to support business decisions.
- Developing practical skills in data collection, data cleaning, data validation, data interpretation, reporting, and analytical problem-solving.

The intern demonstrated enthusiasm, discipline, and professionalism in performing the assigned tasks. We appreciate their contribution and wish them success in all future endeavors.
